Well known for its sulphur rich mud baths and visibly smoking crater, Vulcano makes an indelible first impression.

Start your day with a walk to the main crater for an astonishing morning view before we sail to Lipari. Explore the island by bike or scooter admiring the white washed villages and breathtaking views of the Aeolian islands. Take a dip in the afternoon before celebrating the best of Italy with a fine Italian dinner and local wine.

DAY 3 / Monday, July 10: PANAREA

Make your way to the most beautiful of the Aeolian Islands, Panarea. Expect delicious seafood and boutique shopping. A short ride away is Cala Junco, a beautiful secluded bay, and nearby Lisca Bianca's offer hidden coves and bubbling sea springs you can explore. Tonight is also the perfect setting for sunset cocktails!

DAY 4 / Tuesday, July 11: STROMBOLI

Enjoy a memorable sunrise as you watch lava bubble from an active volcano, Stromboli. Then sail to Salina, a fertile island famous for the production of the local sweet wine Malvasia. Spend the day venturing around the town and the lush landscape before a sunset dinner admiring the view towards smoldering Stromboli volcano.

DAY 5 / Wednesday, July 12: SALINA

Sail to one of the most isolated of the islands, Filicudi, well known for its wild natural beauty, untouched sea grottos and ancient pathways. Explore an extinct Aeolian volcano before a swim in crystal clear waters. The rocky shores are a beachcomber's dream and an incredible spot to spend a tranquil night under the stars.

DAY 6 / Thursday, July 13: FILICUDI

After a morning swim you'll sail to your final stop, Asino Beach on Vulcano. On the way you'll stop at some gorgeous bays and enjoy a freshly prepared lunch. Spend your afternoon relaxing on the black sand beach or exploring by paddleboard. In the evening, you'll raise a glass to an incredible week while admiring a final sunset over the sea.

DAY 7 / Friday, July 14: PORTOROSA

You'll enjoy a delicious breakfast and morning swim before you slowly journey back to the port where you started the trip. Stopping along the way at some beautiful off-the-beaten track bays, you'll make sure you soak it all in. Once you arrive back, spend the evening on the beach or by the pool before settling in for a final night on your catamaran.
