Subject: Request for long term stay visa

Dear Sir/Madam,

I, [Name], am applying for a long term stay visa in France and plan to stay from [Arrival Date] to [End Date]. [Reason for request: I am requesting this visa because I plan to visit Spain from April 9th through June 8th on a standard Schengen Visa valid for 90 days. After July 8th, I will need an extended visa as I would like to visit France beyond the 90 day Schengen limit.]

I promise that I will not engage in any paid activity while in France. The purpose of my visit is for tourism and to learn the French language. I will ensure that I leave France before the expiration of my authorized stay. I request you to grant me this long term visa.

Please do not hesitate to contact if you have any questions.

Sincerely,
