

# Virgin Voyages Gay Group Trip by Two Bad Tourists

October 15-22, 2023

[VIEW TRIP](#)

Join us as we host a gay group trip on Virgin Voyages next year from October 15-22, 2023. The 7-night cruise is a round trip departure from Barcelona and we will visit some amazing ports of call. Virgin Voyages is a brand new, adults-only cruise line and just started sailing in 2021. Although we will be joining a large ship with other guests, our small gay group trip will offer daily group dinners together, group shore excursions, private cocktail parties, group activities and more! Virgin Voyages is one of the most LGBT+ friendly travel brands on the market and their new concept also changes everything you know about cruising....no more buffets or large dining halls, free WiFi, and there are no hidden fees since gratuity/tips are already included. These are just a few of the cool benefits you can expect.

As usual for our hosted trips, singles, couples, friends or groups are welcome. In fact, Virgin Voyages even offers solo traveler cabins (with a reasonable single supplement). This is a great opportunity and unique in the cruise industry! Our small group trip within the larger Virgin Voyages ship still allows us to get to know each other and make new friends easily onboard as we will be sharing meals and plenty of other group activities together.
